

# Be Careful

No woman can be too careful of her condition during the period before her little ones are born. Neglect or improper treatment then endangers her life and that of the child. It lies with her whether she shall suffer unnecessarily, or whether the ordeal shall be made comparatively easy. She had better do nothing than do something wrong.

## MOTHER'S FRIEND

Is the one and the only preparation that is safe to use. It is a liniment that penetrates from the outside. External applications are eternally right. Internal medicines are radically wrong. They are more than hush—hush—they endanger life.

Mother's Friend helps the muscles to relax and expand naturally—removes morning sickness—removes the cause of nervousness and headache—prevents hard and rising breasts—shortens labor and lessens the pains—and helps the patient to rapid recovery.

From a letter by a Shreveport, La., woman: "I have been using your wonderful remedy, Mother's Friend, for the last two months, and find it just as recommended."

Druggists sell it at \$1 per bottle.

**Deafness Cannot be Cured.**  
by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

## Fatherless.

There's something about the little black dress that touches a man in a very tender spot. He puts the little one on the head, puts some pennies in her hand, swallows hard and then—starts out to make his own children fatherless. There is no doubt that many a man is taken from his family by neglect of simple precautions which would preserve his health. Disease generally begins nowadays in "stomach trouble" because the meals are hasty and the food not digested. From that beginning come disorders of the blood, liver, kidneys, heart or nerves. The use of Dr. Pierce's Golden Medical Discovery, for diseases of the organs of digestion and nutrition will avert the catastrophe of more serious disease. It strengthens the stomach, purifies the blood, nourishes the nerves, and builds men up in both brain and body.

"I can say to you, one bottle of your 'Golden Medical Discovery' has cured me sound and well, after suffering two long years with stomach disease," writes W. H. Braswell, of McAdenville, Gaston Co., N. C. "My health is worth all the world to me. I will praise you as long as I live."

Dr. Pierce's Pleasant Pellets should be used with "Discovery" where a laxative is required.

**Crayer Portraits for our Subscribers.**  
The CHIEF has always been in the habit of giving its subscribers the best of it on the offering of premiums for subscriptions paid in advance. The fact that paper has advanced materially and that no advance has been made in the price of this paper, has made it imperative that we have what is due us at once. We have heretofore been lenient, but will be compelled soon to place many accounts in the hands of a collector to enforce payment. Rather than do this we will give as an inducement for those paying up to date, a six months paid up subscription to the paper and a fine genuine oil finish portrait of yourself or a friend, in a splendid frame for the small sum of \$1.98. These portraits will not rub off like the cheap crayon pictures, but they wash and can be put in a tub of water over night without injury. The portrait can be made from any small picture, photo, tintype, or ambrotype furnished. Any portrait that is not entirely satisfactory will not cost you a cent. We have a sample portrait at this office which must be seen to be appreciated. If you have a loved one whose picture you wish enlarged it will pay you to take advantage of this offer.

Is your name written there? Where? On our subscription books for the last year in the 19th century. It should be.

## The Eminent Kidney and Bladder Specialist.

The Discoverer of Swamp-Root at Work in His Laboratory.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, or the kidneys themselves break down and waste away cell by cell. Then the richness of the blood—the albumen—leaks out and the sufferer has Bright's Disease, the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root, the new discovery is the true specific for kidney, bladder and urinary troubles. It has cured thousands of apparently hopeless cases, after all other efforts have failed. At druggists in fifty-cent and dollar sizes. A sample bottle sent free by mail, also a book telling about Swamp-Root and its wonderful cures. Address Dr. Kilmer & Co., Binghamton, N. Y. and mention this paper.
